**Make your membership fee work harder for Galloway Fisheries Trust.....**

*giftaid it*

Using Gift Aid means that for every pound you give, the Galloway Fisheries Trust gets an extra 28 pence from the Inland Revenue, helping your donation go further. This means that **£10** can be turned into **£12.50**, just so long as donations are made through Gift Aid. Imagine what a difference that could make; and **it doesn't cost you a thing.**

So if you want your donation to go further, Gift Aid it. Just write your details here. It's that simple.

*I want all donations I've made since 6 April 2000 and all donations in the future to be Gift Aid until I notify you otherwise.*

To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount we will claim in the tax year.
